filled with biblical insights and remarkable conclusions. 

The first translation of the volumes in Michel Serres' classic 'Humanism' tetralogy, this ambitious philosophical narrative explores what it means to be human. With his characteristic breadth of references including art, poetry, science, philosophy and literature, Serres paints a new picture of what it might mean to live meaningfully in contemporary society. He tells the story of humankind (from the beginning of time to the present moment) in an inspired much discussion on the wealth of theories he produced and the reactions to his works began a century of great psychological investigation.

The rapidly widening gap between the elite of the rich and the rest of society.
